

Biodiversity – Minibeasts Learning Journey

What do I already know?

- I can name common animals, including carnivores, herbivores and omnivores.
- I can describe the basic needs of living things.
- I can name animals and plants in their habitats and describe how they depend on each other to survive.

What will I learn next?

- I will learn that animals, including humans, need the right amount of nutrition and how they find it.
- I will learn about classification keys.
- I will learn about how environments can change and the danger this poses to living things.
