

Craft Your Career

Dress up Activity

You will need

- Scissors
- Coloured pencils

Optional:

- Glue
- Wooden craft sticks
- Laminator
- Velcro

Instructions

1. Print and cut out a figure.
2. Colour the figure.
3. Cut out the clothes and put the people in uniform.
4. Now they are ready for work!
5. Talk about their profession and what they are wearing.

For example, the chef is wearing a hat.

Extra ideas:

- If you want to make it more permanent, use glue to stick down the clothes.
- Stick wooden craft sticks on the back of the clothes to make it easier to move them.
- Laminate the pieces so they're more durable and reusable. Use Velcro on the back of laminated pieces and on the figures so they can be stuck and peeled off as many times as you want.

Possible uniforms:

chef cleaner construction worker doctor farmer firefighter pilot police officer scientist server

Disclaimers: This resource has been made for the purpose of teaching English language learners. We know that students can be learning English in many different places, in many different ways and at any age, so we try to keep these resources as general as possible. There are many acronyms associated with English language teaching. These include (but are not limited to) ELT, TEFL, EFL, ELL, EAL and ESOL. While the term ESL may not fully represent the linguistic backgrounds of all students, it is the most widely recognised term for English language teaching globally. Therefore, we use the term 'ESL' in the names of our resources to make them easy to find but they are suitable for any student learning to speak English.

This resource is provided for informational and educational purposes only. As this resource refers to the use of sharp equipment, small items/loose parts which may present a choking risk, and ingredients/chemicals, you must ensure that an adequate risk assessment is carried out prior to using this resource. You must contact a suitably qualified professional if you are unsure. Twinkl is not responsible for the health and safety of your group or environment. It is your responsibility to ensure the resource and the information/activity it contains are safe and appropriate to use in your situation.
