

Sensory Activities Resource Disclaimer

This resource is provided for informational and educational purposes only. As this resource refers to sensory activities, sometimes including food items/ingredients, you must ensure that an adequate risk assessment is carried out before using this resource. You must contact a suitably qualified professional if you are unsure. Twinkl is not responsible for the health and safety of your group or environment. Please be aware that learners should be supervised at all times due to potential hazards with handling and exploring sensory objects. Sensory activities can engage learners in their play and learning, but supervising adults should check for allergens and assess any potential risks before the activity and only proceed if it is safe. Learners should wash their hands before and after these activities.
